

Talks.UW

Paper Design Prototypes

Koen De Couck
HCDE Capstone 2014

Feature Summary

- Search functionality
 - Search by keyword or topic
 - Search by Department
 - Search by Location
- Viewing talks: open access
 - Talks can be shared with non-UW professionals
- Adding talks: integrated UW Net ID security
- Finding your way there
 - Integrated Google maps
- Support for existing systems
 - Subscribe to email list from talks page
 - Download talk to your Google calendar

MEASURING MORTALITY RATES IN IRAQ

EDIT

Please join us Tuesday for another exciting Change Seminar. Abie Flaxman from the Institute for Health Metrics and Evaluation will be talking about recent work on methods for estimating the mortality rate in Iraq. Abstract: Over the last 4 years, I helped a team of doctors and epidemiologists to measure the number of deaths cause [...]

Work in progress!

May 11:

- Launched talks 0.1 development build
- Added UWnet authorization
- Added basic calendar functionality

May 12:

- Added basic talks profile pages
- Added Google maps integration
- Added responsive design

Questions?
